VICKI SEEMAN IS MISS LEMON GROVE

LENOX FOTO for the REVIEW

Vicki Seeman, 19, 3665 Citrus, is 1954 Miss Lemon Grove and will represent the community at the San Diego County Fair.

The attractive miss was named winner in the preliminary last week at the Swimming Pool Carnival and Arva Piepenbrink made the award.

With Vicki, Gail Wayles, 17, of Spring Valley, was named Miss Spring Valley.

The crowning of the queens was one of the events of the two day Swimming Pool Carnival.

It will take more than a drizzly day to dampen the ardor of children and their parents where a swimming pool is the end target.

About 16 or 17 thousand of them saw the parade Friday night and attended the Carnival both Friday evening and Saturday afternoon and evening.

They saw one of the finest parades ever produced in Lemon Grove, a snappy aggregation a little less than a mile in length. Practically everybody in Lemon Grove contributed something to the carnival and a whopping $2,562.17 is being deposited in the permanent swimming pool fund as a result. Officials stated that the total would have been twice as great had the weather been good.

During the two day event the trailer raffled by the Lemon Grove Lions was won by Mrs. Dorothy Bell of 7705 Canton Dr. A contestant for the Fairest of the Fair Contest to represent Lemon Grove was also chosen. She is Vicki Seeman, 3665 Citrus Ave.

While it is impossible to list all of the individuals and organizations which helped in the carnival, the ones that have been supplied by the Swimming Pool Committee include San Miguel, Vista La Mesa, Monterey Heights, Golden Avenue, Helix High and Lemon Grove P-TA's, the Lions Club, the Lionesses, the Kiwanis Club and Kiwani-Annes, the Lemon Grove Woman's Club Juniors and Seniors, the Firemen, the Ladies Auxiliary, the Chamber of Commerce, Student Council of Golden Avenue School, Junior High and Monterey Heights Schools, the Business Women's League, Rotary Club, Parent's Guild of St. John of the Cross, the VFW and the VFW Auxiliary, the Beta Sigma Phi, Teachers Club, the Campfire Girls, Men's Fellowship Club of Congregational Church, the Boy Scouts and Girl Scouts, two groups from Helix High, Helix R.O.T.C., the Lemon Grove School District, Arteraft Signs, Ernie Walters, Jaffe Pontiac, Carl Burger, the Al Bahr Shrine Temple Guard and Drum and Bugle Corps.

Particularly excellent co-operation came from Palmer Svalstad, Jack Durham, Clarence Milbrodt, Jerry Brage, Richard Beers, Peter and Mart Mason, Al Drew, Pete Chappelle, Mrs. Pfister, Tony Sonka, Jesse Pearce, Sgt. Willard Rigley, Mrs. Arva Piepenbrink, Encanto Electric, Wrights Donuts, Miller's Dairy, Sunbeam Bread and many of the business firms and other individuals in Lemon Grove.

At a meeting Monday following the Carnival the group named Robert Sutton, principal of San Miguel School, as temporary chairman until a meeting on Wednesday, June 2, when the group will again meet and set up a permanent organization and start work on by-laws and a constitution. All are in agreement that the pool is now a certainty.

All individuals interested in assisting with the swimming pool are invited to attend that meeting.

The Carnival was co-chaired by Tom Warburton, vice-principal of Helix, and Channing Mason, local feed and seed retailer.

LOST TOT—LOTS OF FUN—ALL PART OF CARNIVAL

LENOX FOTO for the REVIEW

Frantic mothers, lost children, and helpful young men. All of these things were part and parcel of the Swimming Pool Carnival which was classed as "successful" by the community and by the Swimming Pool Committee.

As an indication of some of the unscheduled events which took place, Mrs. George Davis, 7543 Pacific Ave., holds her aching head while her sons, Jerry and Danny, attempt to placate little Candi Duncan who became temporarily lost from her folks.

Like the Carnival, the affair came to a happy end, Candi got Jerry's snowball cone and found her family.

Higher Schedule Adopted for Grove Teachers

At a special meeting of the Lemon Grove School District Board of Trustees on Monday evening, a new salary schedule was adopted for all employees of the district which will give an increase to administrators, teachers, and non-certificated personnel. At the same time bids were accepted for installing a sprinkler system at the junior high, and the tentative budget was again studied. Further work will be done on the budget at a May 28 meeting.

Last week the board of trustees approved contracts for three more new teachers to the system. This included an especially well-qualified instructor for the special class in the district. They also approved contracts for three half-time nurses at the five schools.

Funds were made available for Keith Dolan, teachers' association delegate, to attend the National Education Association convention in New York in late June and early July. One hundred and seventy five dollars will be paid by the district, with one hundred coming from the teachers' group. This procedure is followed in most districts in Southern California.

Rush Rowley, head of the Citizens Committee for Schools, reported on the insurance plans now being studied by the committee. These recommendations were made: (1) That parents be advised of the availability of the insurance program providing medical payment; (2) That parents be polled regarding interest in such a program; (3) That parents be advised as to the cost of such a program; and (4) That, if approved by parents and the board, the plan go into effect by September, 1954.

Over My Shoulder

By A. F. "TONY" SONKA

This week our history of early Lemon Grove brings the business district at the turn of the century into focus.

PART FIVE

When Mr. Mason took over the store, Mr. Lyons had been burned out. Mr. Mason said that the only entertainment in those days was parties at the various homes and that on that very night there had been a party at his home. After the fire, Mr. Lyons didn't want to rebuild and run the store any longer and the folks prevailed upon Mr. Mason to start a store. Well, there was no building to start a store in, so Mr. Mason started a store in the front room of a cottage near the site of the old store, where he had the Post Office as well. About a month later, Mr. J. C. Braiden, a real estate man, put up a building for the Mason store. Mr. Mason ran the store until Tony Sonka's father bought it in 1908. When they were boys, Mr. Mason's sons rode horseback all over these hills. Mr. Mason described it as "open country." Mr. Mason's contribution to the history of Lemon Grove is not a small one and his help to the community is indisputable.

Mr. Sonka, Tony's father, first had the store in the small building behind the store today. Tony Sonka said to me in speaking of the Lemon Grove of 1908, when they moved here, "Lemon Grove was in its glory, with orchards in full production." He said that the land was subdivided into five and ten acre tracts and that there were about fifty families living here at that time. I asked him about the Indians as he remembered them. He said that it was a great sight; Indian women in bright calico dresses, Indian men in blue jeans and bright shirts,

An Editorial

The community will troop to the polls Friday, tomorrow, May 21, to name three men to represent them on the school board.

There are four men running for the three positions and while the entire slate may be one of quality the Review feels that it would be less than fair if it did not pick out one individual and name him as a first choice.

The Review is proud and pleased to recommend for your school board Channing P. Mason who conducts the column on this page, "The Mason Line."

Mason's selfless generosity with his time, his quality of leadership, his unquestioned integrity and his sincerity are all reasons why he should be he overwhelming first choice of the voters.

He has headed up practically every civic program the community has thought up. He breathed life into the Fire District, the Carnival was partly his brainchild and succeeded partly because of his leadership, the March of Dimes, the Presbyterian Church—all have been successful because we have had a man like Chan Mason in the community.

While this is no popularity contest — school business is serious business — I think the community could do well to overwhelmingly show their appreciation by not only turning out at the polls but by naming him their first choice.

There are many things that the Review could say about the fine qualities of Chan Mason and all of them would be embarrassing to him, but they would nonetheless be true.

Oh heck! Let's just sum it up by just saying Chan is one swell guy!

Three Teenagers Ransack Two Theaters

Two drive-in theatres were ransacked of approximately $30 from gum and cigarette machines, it was announced by the sheriff's department late last week.

Th Cinema Dine suffered only machine damage but the Rancho Drive-In lost a .32 caliber revolver.

Later the sheriff's department picked up three teenagers, 18, 17 and 16 years of age, and found cigarettes and change in the auto but they denied knowledge of the ransacking.

Sheriff Sgt. Willard Rigley shook down their car and discovered the gun hidden above the glove compartment in the dash. Afterwards they confessed to the robbery.

Miguel Nuranda, aged 18, 4350 Iowa St. in San Diego, was among the three. After the gun was located the three confessed to the job.

Fourth Annual Newspaper Night to Be Held at La Jolla

Judging of entries in the fourth annual San Diego Union and Henry C. Reed Newspaper contests has been completed and winners will be announced at an annual banquet Friday night at the La Jolla Beach and Tennis Club.

Principal speaker at the banquet will be Dave Hellyer, inter-American affairs editor of The San Diego Union, whose subject will be "Our Last Great News Frontier: Latin America." Hellyer, who has traveled extensively in Latin America, will tell of communist influence and American problems in Central and South America.

Newspaper men, their wives and guests will gather for an informal cocktail hour prior to dinner at 7 p.m.

Local Man to Seek Lost Mission

Glenn S. Ray, building material dealer who operates at the corner of Sweetwater and Imperial in Lemon Grove, left this week in search of a lost mission at San Felipe, Baja California. With him is Capt. William Shimp, a pilot for Pacific Southwest Airlines, and Gaston Flourie, a French Mexican who is a Tijuana businessman.

According to Ray, historians say the mission Santa Isabel is one of the 15 built in lower California by the Jesuits.

In 1748 the Jesuits were ordered back to Spain and in 1760 the Franciscan Monks took over their work. All of the missions have been accounted for except the one which Ray feels he located during an air search last year.

"Seventy burro loads of valuables, according to historians, were carried across to the east coast and delivered to Spain," Ray said. "By following the course backward it leads to the area where I think the mission is. The vegetation in the general area is different from that of the rest of the area which is mostly arid. Also stories that grapes are growing in the area lead me to belive that we are on the right track."

The team will return to San Diego with pictorial evidence this week and after an analysis of it a further expedition may be considered.

Lemons Gaining World Importance Says Colliers

Lemons and Lemon Grove may play a vital role in the national economy and health if a national magazine article on Lemon development is any criterion.

According to Keith Monroe in the current Collier's report, the lemon can heal sores, harden steel, stop a nosebleed, put new pep in hungry soldiers, or keep dead fish from smelling.

The lemon can make a paper bag hold gasoline. Some experts believe it may help the human body resist X-ray damage (and perhaps A-bomb radiation). In your home, it gives agreeable results when you squeeze it into a glass of milk, onto an ink-stained shirt, or over a banana or avocado, Monroe says in the Colliers article, "1001 New Lemon Aids."

The fruit is so effective an energy builder that Sir Edmund Hillary and Tenzing Norkay carried lemon powder with them when they climbed Mount Everest, even though the only way they could prepare their hot, sweetened lemonade was to lug a small kerosene stove most of

Grove Theatre Closes Again

The Grove Theatre is dark again. Morgan Ames, the most recent operator, failed to open Monday evening and it has been closed since. The government had closed in on Ames for admisssion tax payment which was delinquent which is believed to be partly the cause for is decision to close.

Carl and Eva Murtomaki, Chula Vista, contracted to purchase the theatre Tuesday.

majorettes, such as this one, loaned grace and beauty to the parade. The event was termed one of the finest ever to march through Lemon Grove.

The Mason LINE

by Chan Mason

We write this little old column this beautiful Sunday afternoon with rather mixed emotions. Our first thought is to rip the daylights out of certain county officials who it appears went considerably afield in an attempt to blockade this community's first Swimming Pool Carnival.

However, of much more importance, particularly from the standpoint of permanent benefit to Lemon Grove, is the wonderful spirit displayed by so many local citizens. We know that long after certain little men, now holding public office, are gone Lemon Grove will continue to grow and prosper — much like poison ivy, they cause merely temporary irritation.

—ML—

At this writing it appears certain that the Carnival was a fine financial success and best of all it is now a proven fact that we can pull together as a team.

We do hope this will now be an annual event and that nothing will interfere until we have our pool.

A list of credits for this whopping big event isn't possible in this short column but chairman, Tom Warburton, and every member of the Carnival Committee say "Thanks a million."

—ML—

Overheard at the Carnival:

Said one P-TA mother to another, "How in the world do you manage to keep Johnny looking so orderly? His shirt is always tucked in so neat. I can't understand it." "That's easy," said the other mama, "I just sew a border of blue lace all around the bottom of all Johnny's shirts."

School Elections To Be Held Friday

Elections will be held in both the Grossmont High School District and the Lemon Grove Elementary School District Friday of this week. Polls will be open from 7 in the morning to 7 in the evening.

In Grossmont, Palmer Svalstad, who was appointed to the board recently by the County Superintendent of Schools, will be the only candidate for the one vacancy.

In Lemon Grove there are four candidates for three vacancies. The board recently voted to increase its size to a five person board. Bob Brown, Vista La Mesa, is running for his office which he has served since the retirement of a former board member. Also running are Don Ellis, Bert Betts and Channing Mason.

FISHING CONTEST GOING WELL WITH GROVE SPORTSMEN

The Lemon Grove Fishing and Liar's Contest got into high gear this week and the editor of the Review has evidence to prove it.

The sterling fishing triumvirate of Bill MacQueen, Erland Anderson and Joe LaBerge went for the yellowtail at the Coronado Feeding Grounds and returned with this result: LaBerge, 1, MacQueen, 2, and Anderson 3½. The reason Anderson's came out a fraction is because the editor got ½ of one yellowtail.

In the meantime the contest goes on with more and more prizes being added. Anyone interested in entering the contest, which costs them nothing, should contact any of the retailers in Lemon Grove bearing the contest fish in their window.

CONGRESSIONAL CANDIDATE TO BE GUEST OF MRS. DAIL

Mrs. Harriet Enderle, Democratic Candidate for Congress in the 28th District, will be honored at an open house Friday afternoon, May 21, at the home of Mrs. John Dail, 3240 Olive st. A large group of women from the Lemon Grove district have been asked to call between two and five to meet Mrs. Enderle. Those assisting are Esther Alpert, Virginia Apra, Wilma Collins, Ann Espe, Bernice Keeton, Mary Landesco, Ruth Magnuson, Belma Middleton, Marian Norman, Kellie Sutton, Clara Y[illegible] etta Zick.

With the announcement of a Masonic Lodge for Lemon Grove, Bill Rife should feel doubly honored by the Review's write-up. First, by encompassing him with the crown of youth in his picture (probably taken in high school) and secondly by his elevation to the position of Grand Master. This may be intelligent anticipation on the part of omniscient Max Goodwin. Bill, we are sure, will be well content to be honored as the first MASTER of Lemon Grove Lodge Free and Accepted Masons. We congratulate the Lodge on its choice.

The most poignant regret that the self opinionated man has is that he cannot read his obituary notices.

The Chula Vista Art Guild has gone on record to exclude the degenerating influence from decadent European Schools in order to promote vital native American Art that springs from our own culture. We are delighted that there is one group in the county that stands for sanity in art.

Alfred Wallenstein, Conductor of the Los Angeles Philharmonic Orchestra, is not too enthused about the standard of contemporary music, and neither are we, believing that most of the modern composers have forgotten to put any music in their compositions.

The Dimmer VIEW

by Max Goodwin

Most of you who have had an occasion to enter the cave of the hermit where Sheriff Bert Strand holds forth are not too surprised to find how completely he has isolated himself from the people he has sworn to protect and defend.

I ran head on into this recluse who is now six years past the retirement age when I solicited his aid concerning permits for the Swimming Pool Carnival, which, in turn, came so close to not being put on at all that I shudder to think what would have happened if ten or fifteen thousand kiddies and their parents had been denied this simple and worth-while entertainment.

I rousted our sheriff at home at night when the carnival committee became obsessed with the idea that Strand would close the event due to lack of a county carnival permit. He assured me his aid although he is still trying to figure out how I got his unlisted home telephone number. He said that this P-TA, church, and service club-sponsored affair would be closed, however, if they attempted to hold a crap game or run a strip tease show.

The next day, the very day of the carnival, the permit bogged down in some of our county offices, about which I shall have much to say later. I called Strand again and that's where he made a political blunder as far as I'm concerned. He said that he was attempting to co-operate in spite of the fact the REVIEW was "knocking his ears off" and supporting his young, hard-hitting political opponent, Bill Howell. He also made a veiled threat by stating that the support of Howell would invite financial retribution against this paper from local business firms, because all of them wanted him back in office.

I won't buy this from this crotchety old curmugeon. He has visited this part of his district so seldom that he can't conscientiously say he is interested in Lemon Grove.

As it turned out, Strand did NOT help with the permits and the Carnival did NOT get clearance but the event was successfully staged anyhow. Through the good offices of his deputy, Sergeant Willard Rigley, we had adequate protection.

Now I think the time has come for our sheriff to lay aside his cudgel against P-TA crap games and take his retirement pay, his 4 Armed Forces pension and, in 4 years, his social security, and take it easy. He has earned his rest and the taxpayer is already underwriting the cost of pasturing him.

That is one reason why I'd like to see individual members of school groups and service clubs get behind a movement to get the vote out for an active man to occupy the sheriff's well-worn chair. Both Hank Adams and Bill Howell are running. My personal preference is Howell.

SEVENTH ANNUAL GET TOGETHER FOR FORMER P-TA AND SCHOOL MEMBERS

In the above photo are thirty of the women who attended the seventh annual get-together of early teachers, past presidents and members of the Lemon Grove P-TA. The luncheon was held in Friendship Hall earlier this month.

The first president of the L. G. P-TA, Mrs. Edith Denlinger, was present as were the following past presidents: Doris Stanford, Evelyn Crosby, Madge Huber, Lena Kasitz, Vera Pearce, Hazel Dickerhoff and Madeline Brown.

Mrs. Harold Schuster Is Parent's Guild President

Election of officers was main business of the May meeting of Parent's Guild of St. John of the Cross Thursday night in the Parish Hall.

Officers to be installed at the next meeting are as follows: Mrs. Harold Schuster, president; Mr. Vincent Mullen, vice-president; Mrs. Pat Byron, recording secretary; Mrs. A. Jacobsmeier, finincial secretary; Mr. J. Peyton, treasurer; Mr. Robert Geitzen, auditor; and members of the advisory board, Mrs. J. Hamill, Mrs. M. Curl, Mrs. J. Dunne, Mrs. F. Rosiak and Mr. R. Brunett.

Mrs. Schuster appointed a five member committee to study the Guild constitution and to recommend constitutional amendments where the committee deems necessary. This committee is composed of Mr. Vincent Mullen, Mr. Brunett, Mrs. McClintock, Mrs. Ruef and Mr. Peyton.

Room mother chairman, Mrs. Byron, announced the family picnic will be held at Felicita Park, May 30. Full schedule of events has been planned with plenty of prizes to be awarded participants. Stalwart fathers were called upon to form a strong nine against the school baseball team. The father-son contest will be one of the main attractions. Don't forget the liniment, Mom, Pop's gonna play ball.

Eighth grade students under the direction of Sister John Gabriel presented a beautiful playette "Her Crowning Glory" and Mr. Merle Coady conducted the first public performance of the school band. This group, after just two months of rehearsal surprised the members with a very entertaining program.

Reservations for the fashion show are going fast but additional requests can be handled by calling Mrs. Jones at HO 6 6348.

Attendance prize was taken by the eighth grade and refreshments were served by second grade mothers.

They've searched for ways to help the "Grove"
With plenty of talent and lots of verve
They've waked up the others
And now are all set

For the kiddies who live in our town
Let us not forget we were young once ourselves
And see that the battle is won.

"Highland Lads And Lassies"

By BOB TURNBULL

Smile . . . A Helix sophomore's definition of flattery: "It's something nice somebody tells you about yourself that you wish was true."

Platter Parade . . . This week's tops in "pops" at Ratner Electric, 8th & Broadway in downtown San Diego. (BE 4-3363.) "Wanted," Perry Como; "Young at Heart," Frank Sinatra; "Cross Over the Bridge," Patti Page; "I Get So Lonely," Four Knights, and "Man With the Banjo," Ames Brothers. It's Ratner's for the best all-around selection of blues, bop or Beethoven.

Old Mission . . . beach is again the sport for Highlanders to start swimming, sunning and eating sand. Since fair weather has started up again many loyal lads 'n lassies have recently been seen dominating various locations on the playgrounds of the Pacific. Some of the Helixers seen there last Sunday: Carolyn Oliver, Ronnie Jones, Bob Turnbull, Lanny Ross, Bill Bloom, Lee Russo, Tom Kelly, Jim Sinegal, Bruce Bender and Dixie Graham.

Students Win Scholarships . . . Six scholarship awards to outstanding students were announced recently by Principal Benton Hart. They are as follows: Nancy Graham, La Mesa; Mary Rewicz, Lemon Grove; Stan Davies, San Diego; Bob Tilling, La Mesa; Nancy Asay, La Mesa and Nona Coyle of Lemon Grove.

My Helix High . . . Attention any junior or senior boy who has a Junior Life Saving Certificate and would be interested in giving life saving lessons on a voluntary basis! If so contact Mr. Stanley Rose at the La Mesa Youth Center . . . Girls: Sign up for Helix Lassies Committees for next year. Chairman for committees will be chosen one week from today. Sign up with Mrs. Stinnett in room 13 . . . Congratulations to the newly elected Girls' League officers. They are as follows: Bobbie Patrick, president; Sunny Donell, secretary; Patsy Drake, veep; and Donna Parker, treasurer . . . Congratulations to the Helix band for winning first place in their division and sweepstakes at the Maytime Band Review. This may be old news but did 'ya hear that every time we won a trophy dear ole Grossmont was just one jump behind us? Poor Grossmont — I guess they just didn't quite have it!

What's Happening? . . . May 25 —Friday—Sports banquet . . . May 26-28—Wednesday through Friday—Band concert.

Sports Round-Up . . . In a recent tennis meet, Helix dealt Grossmont its second defeat in a row. This time Helix scored a 7-4 triumph over its out-classed "big brother." Helix has a sure cinch for second place in tennis and if they beat La Jola they'll cop the championship . . . Congratulations to Neal Curtis, Dick Stillings, John Williams and John Morrow who placed in the recent A.A.U. track meet held in Balboa Stadium.

Throwin' the Bull . . . I've read in the papers and have heard gossip about the schools now-a-days not having enough of the three R's being taught in classrooms throughout the nation. Let's end this senseless bickering over such an issue. Let's just say that time devoted to teaching the three R's today is quadrupled over that of a century ago. Back a few years they taught little Billy a different way. Today Billy learns words not by letters, but as whole word pictures. Maybe he won't know his multiplication tables just perfect but he can measure windows, compute bills, etc., far better than when you were a child.

As civilzation progresses in science, math, etc., so must the method of education change. One can't stick to the same method over a period of years or soon enough everything would remain at a status quo.

Red Cross Column

By CHARLES GURLEY
Public Information Chairman

General Dean will address a gathering of Red Cross workers on June 9 at 2:30 in the War Memorial Building in Balboa Park, San Diego, according to an announcement made by Mrs. G. R. Roberts, chairman of the Lemon Grove branch yesterday.

"We are fortunate to be able to hear such a famous speaker" said Mrs. Roberts, "and I urge all our members who are able to attend this meeting. We have not been informed as to the subject on which General Dean will speak but we are certain that with his great background of experience that whatever he chooses to discuss, we will find intensely interesting."

Last fortnight LA was alarmed when the papers reported—cautiously—that a black panther was loose. Then **Wayne Roberts**, who said he lost the panther, said the panther was safe. Then it developed there never had been a panther; that Wayne Roberts was really named Lewis. He was jugged for turning in a false report, but a few imaginative citizens who hadn't kept up with the story still kept calling in reporting they'd seen the phantom beast.—Fortnight.

SUMMER SESSION SET FOR HELIX HIGH

Summer school classes will be held at Helix under the direction of Mr. Virgil Duea beginning June 21 and terminating on August 6.

Classes will be held only in the fore-noon Monday through Friday and will be divided into two periods; 8:00 to 10:00 and 10:00 til noon.

The purpose of summer school is to give students an opportunity for refresher courses in regular high school work, to permit students to take electives that they do not have time for during regular school year, to provide for worth while, constructive vacation experiences.

GROVE POSTAL ROUTES BEING CHANGED

The postal routes in Lemon Grove are undergoing an adjustment and mail schedules are being changed.

If your mail does not arrive at the same hour it has been customarily, do not be alarmed. It may have come a little earlier or perhaps later but it is all a part of a plan to give better service by the Lemon Grove Post Office, the local postmaster said.

In East Los Angeles a **5-foot housewife** tossed a brick through the window of a sheriff's substation after a sergeant refused to take her to the General Hospital's psycopathic ward. She was booked for malicious mischief.

SHOPPERS ARE FUNNY

By ROBERT TURNBULL

"Big Ace" recently held a contest in its store with the grand prize being a bicycle — in this case a boy's bike! The lady that won the bicycle (she only took 12 chances on it), asked the store's assistant manager if she could have it please, after proving herself the rightful winner. Upon seeing the free $40 bike that was soon to be hers in its entirety she gasped and exclaimed, "Oh Dear! Don't you have one in a **girl's size?**"

Don't forget to listen to Molly Morse, "Big Ace's" publicist via the airways. She broadcasts homemaker news of KFMB. Monday thru Friday she is heard three times daily: at 8:45 a.m., 11:45 a.m., and at 3:45 p.m.

Not only do shoppers do some humorous antics at times but so do the store personnel. In this case I goofed! On a rather busy Saturday morn I was boxing like crazy and chasing carts from the telephone booths to the bakery shop. I was in a particular hurry to enter the store again to commence my boxing (or **sacking** as the case may be). I ran up on the mat that opened the automatic doors and waited for the glass to swing open. It didn't! I stepped back and tried again! Same result! I then stood on the mat to see if I couldn't persuade it a little. I happened to glance at a lady who was watching me with much amusement. I peeked back at the sign on the door and then felt about three inches high. It seems that I was trying to barge in the **exit** door. Moral of the story for me: Don't chase carts!

In the above photograph are John Gibson, the aspirant for office, and Ray Graham who will manage the headquarters trailer. Graham is former editor and publisher of the Review. The trailer is on loan from the Lemon Grove Trailer Sales through the courtesy of Irl Weber and R. B. Morris.

Signs were torn off of the headquarters building the first day it was in operation. Earlier in the week Gibson's signs were torn off prominent places in Vista. Sheridan Hegland, Democratic aspirant for the Assembly was campaigning in each of these communities just prior to the vandalism.

Name Band to Play for Fireman's Ball

Lemon Grove will honor its Fire Department June 4 when the annual Firemen's Ball gets under way in the Junior High School Cafetorium.

Capt. Ray Carmody, president of the Firemen's Relief Association, states that all money raised by the sale of tickets to the ball will go into the hospitalization and emergency funds of the association.

According to Mrs. Frances Tubbs of the Firemen's Auxiliary a San Diego name band will play and there will be prizes, refreshments and corsages for the ladies.

Bert Betts, local businessman, had this say about the firemen: "They are our safeguard against loss of life and property. They love their work, do not hold high salaried jobs, so we should support their only annual event."

"We ought to support the firemen now, they support us all year long," said Judge Luther Hussey. "Because of the efficiency of our Fire Department, we enjoy the lowest fire insurance rates in the unincorporated areas of the county."

Michael's, Haizlip's and Bob Griffen Roofing Co. have already extended a helping hand.

Tickets may be obtained from the firemen and the ladies of the Auxiliary.

GET TOGETHER BY FIFTH GRADE SCOUTS

Fifth grade Girl Scouts of Monterey Heights, Troops 863 and 334, enjoyed a get together at the home of Mrs. O. Judy on May 12, 1954. Each troop furnished food for a wonderful wiener roast and Mrs. E. Latulippe baked a three tier cake, trimmed in green and yellow. Mrs. J. T. Mitchell, leader of 334, Mrs. J. T. Craig, leader of 863 and committee mothers Mrs. R. Davy, Mrs. O. Judy and Mrs. A. Quinlan, helped with the serving. Fun was had by all.

LETTERS TO THE EDITOR

Dear Sir:

In the REVIEW of May thirteenth, there are listed the candidates for election to the elementary school board. Among them is listed one Paul Ellis. While you and I know that this was a typographical error, lest anyone be misled, I am taking this means of revealing my true identity. Just to keep the record straight, the candidate, I must confess, is I:

BETSY WILLARD WINS CAMPERSHIP

A campership was awarded last week to Elizabeth "Betsy" Ann Willard, daughter of Mrs. Vesta M. Willard, 3162 Citrus st.

The Lions Club of Lemon Grove awarded the campership to a Girl Scout in this district who in the opinion of her Scout Leader, will derive the most out of a session at camp and who would not otherwise be going to camp.

Nine year old Betsy is in the fourth grade at San Miguel School and has been a member of Troop 554 for three years. Drawing fashions, collecting character dolls, reading, and baking at home are among her hobbies. She regularly attends the Methodist Sunday School.

POSTAL SUPERVISORS UNANIMOUSLY ENDORSE H. R. 8648

M. F. Roberts, President, states that Branch 159, National Association of Postal Supervisors, is continuing the fight to secure passage of H.R. 8648, now being considered by the Post Office and Civil Service Committee of the House of Representatives.

This bill if enacted will fill a long-standing need, that of reclassifying salaries and jobs in the Post Office as proposed by Postmaster General Arthur Summerfield after an exhaustive study made by Fry & Associates for the Post Office.

SUPERVISORS TO VIEW BROADWAY WIDENING PLAN

County Supervisor Dave Bird will meet with members of the Lemon Grove Broadway Improvement Group Friday to discuss first steps toward formulating a plan for widening Broadway to its full 150 foot width.

Harry Griffen is chairman of the group.

Civil Defense Notes

Charles Gurley HO 6-3745

The May meeting of the Lemon Grove unit of Civil Defense was held Thursday evening in the Youth Center, Dr. Frank B. Gigliotti presiding. The following were present: Admiral Roy Rogers, Harry Robinson, A. J. "Bob" Bloom, Leo Heaton, "Skip" Heidick, Bob Gigliotti, Mrs. M. J. Rewicz, Mrs. Edna Snyder, Mrs. E. A. Manu.

Admiral Rogers, Chief Warden Ground Observers Corps gave some interesting information about the G.O.C. which under his direction has expanded until it now has some fifty stations in this area and is able to do a satisfactory job in observing and reporting all the movements of all the planes in our skies.

Mrs. Rewicz told of some of the difficulties she and her baby daughter encountered in the early days of world war II when she lived in Poland, and of the troubles she had in her efforts to reach the U.S. Counsellate and eventually the U.S.A. Altogether her talk was so interesting, Dr. Gigliotti has arranged for a joint meeting with the Chamber of Commerce in which Mrs. Rewicz will have a chance to develop her full story more completely.

The meeting voted to change the day of our future meetings to the first Tuesday of each month and so the next monthly meeting will be June 1st.

trailing single file down the dusty road at sunset to come to the store. I asked where they had come from and he told me that they had tramped in from Campo where they had been working on the dam. The Sonkas, Tony's father and family, are as much a part of the history of Lemon Grove as the very groves themselves. Wherever we look we see evidence of the Sonka influence.

I talked also with Mrs. Edith Denlinger. She described her early memories of Lemon Grove in this way: "Lemon Grove was like a paradise to us, after living in Western Kansas, with its bare wind-swept hills." Mrs. Denlinger told me that at that time there were approximately fifty pupils in the school. Even as late as or just following 1915, there were but ninety-eight pupils enrolled in the school. At the present time, there are about 1400 and the school is still growing. Yes, Lemon Grove has progressed.

Some of the names, besides those I have mentioned on the honor roll of early days in Lemon Grove, are Fletcher, Ed Fletcher started the first club, the Country Club, in Lemon Grove. These other names hold nearly as important places in the history but I have been unable to trace their stories due to lack of time. Gutch, Fanny Bond, M. P. Bond, Keplux, W. H. Hunt, Mrs. Molly Hunt, Fuller, Snow, Brian, Waite, Trexell, Maxwell, Sherick, Miss Barnes, Felz, Holmes, Lockwood, West, Burnell, Livise, and there are many more.

Yes each person who came to Lemon Grove played some part in its history. The people, the builders of Lemon Grove, coming from all parts of the country, had something in common; the building of a community. The trails that had been followed by each of them had converged at Lemon Grove. Did you ever notice two old fellows who had pioneered at the same time? Have you listened to the tales of "The Good Old Days?" Two such people are in perfect accord. We feel nearer to persons who have had the same experiences, the same joys and sorrows as we have had. These people who pioneered Lemon Grove, or the sons and daughters of the old-timers, feel close to each other because of a common bond. They have traveled the same trails.

the way to the top.

The magazine writer reports that chemists of the Exchange Lemon Products Company at Corona and Ontario have transmuted leftover lemons into an annual profit of about $7,000,000.

This company now occupies one hundred eighty-two acres, and can process one thousand five hundred tons of lemons each day.

Its staff of twenty scientists includes chemists, bacteriologists, entomologists and engineers. Besides its products research, the company subsidizes nutrition research in medical schools and laboratories.

Although 85% of all lemons grown in this country are sold through Sunkist, the brand name adopted by the Allied Arizona and California growers, the other 15% help support two other marketing cooperatives: The American Fruit Growers, with offices in Los Angeles, and the Mutual Orange Distributors, which maintains headquarters in Redlands.

Titles of popular songs and books are getting more bizarre as the years pass by. For instance we remember the song "I Want to Buy the Little Doggy in the Window" and never heard if the purchase was made or whether the dog had pups. And there is currently "The Saturday Night Fish Fry." We don't care for fish on Saturday nights. Another sob song currently accepted. "There'll be no Tear Drops Tonight." That is fine, but please don't cry in our bourbon tomorrow.

Kiwani-Annes Elect Mary Lou Brumbaugh

Mary Lou Brumbaugh was elected president of the Kiwani-Annes at the business meeting held Monday night at Carol Manson's home.

Other officers elected to serve for the coming year are Margaret Hensley, vice-president, Edith McMahan, secretary, and Margaret Durham, treasurer. Installation dinner will be held in July.

Seventeen members attended, including two new members, Mrs. Myrna Harrison and Mrs. Genevieve Mathews. Best wishes for a speedy recovery were extended to John Landesco now in Paradise Valley Hospital.

One of the latest in books out of Hanover House is entitled "My Husband Always Tells Me to Go To Hell." The material is culled from the Dorothy Dix lovelorn column in which one dear lady wrote "My husband always tells me to go to hell. Will it be legal for me to take the children?" We wouldn't know.

The cars entering California in January, February and March, however, were 6% less than in 1953 and the number of cars westbound from Yuma were 17% less than last year.

Number of persons visiting Tijuana and Ensenada was 12% less than last year, the survey reported.

WOMAN'S CLUB REPRESENTED AT STATE FEDERATION

Mrs. James A. Martin, Jr., president, Mrs. Leon Meyer, president elect, Mrs. LeRoy Scagliotti, past president and Mrs. A. C. Bourquin, senior advisor, represented Lemon Grove Woman's Club Juniors as delegates to California Federation of Woman's Clubs, Junior Membership, in San Francisco last weekend. They reported a total of 605 delegates, the largest attendance recorded at a northern area convention. Statewide, 884,840 hours were spent by Junior Membership in service and $126,784.63 was the total amount of money spent on philanthropic projects.

Lemon Grove Juniors received a 2nd place award for Thanx, and 3rd place awards for International Relations and their sextette.

A resolution was passed to recommend that city governing bodies consider action and revoke licenses of dealers selling crime and horror comic books and that licenses of wholesalers be revoked who force dealers to accept such comic books for sale.

They also adopted resolutions of California Federation of Woman's Clubs with regard to Indian legislation, and approved recommendation of Homer Ferguson to insert "under God" in our pledge of allegiance.

Mrs. Vernon J. Freitas of Red Bluff was elected president of CFWC, Junior Membership for 1954-55.

WATER WORKS TO FLUSH LINES AGAIN

The Lemon Grove water works will flush lines in the area south of Palm and Jamacha between Washington and Imperial Streets starting Tuesday. This work will take about two days.

Enough household water should be drawn as soon as men operating in the vicinity are noted. The water will be muddy but will clear shortly after flushing is finished. Irrigation district authorities advise home owners not to wash clothes during the flushing periods.

Mrs. James Bennett and Mrs. Sidney Morse will serve as after chapter party chairmen. Bring your favorite cake.

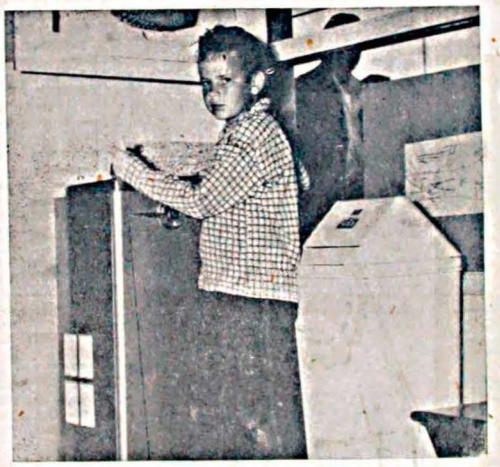
Funny thing about good luck. It usually hunts up the man who doesn't include it in his planning says "Mc" Bailey, the philosopher of Monterey Heights.

ALL MARKETS Sell Groceries-
BIG ACE Gives You Service Free!

GIVES S. & H. GREEN STAMPS

Tons of foodstuffs are moved from the storage area to the shelves. In most markets it is carried by clerks and stockboys. A novel arrangement of chutes puts boxes of groceries, fresh from the manufacturer, practically at the end of the long gondolas which run down the length of Big Ace Market. Of course it saves time and manpower and most important it saves the tired backs of our employees. This means they serve you with a more pleasant attitude.

George Johnston, one of the stockers at Big Ace, is shown taking the boxes as they come off the chute.



Let's take little niceties like a drinking fountain, for example. Look around any market you shop in. Chances are you won't find a drinking fountain. That's part of the thoughtfulness of Big Ace management, that the convenience and comfort of the customer comes first. And to show the complete lack of mercenary motive the fountain is adjacent the snack bar where fountain drinks are sold.

Here Billie Peppard, of Lakeside, enjoys the fountain while his grandmother shops.

"I like to come to Big Ace—it's fun," Billie said.

There's a big comfortable lounge in the Big Ace Market on the mezzanine floor. This was designed with an eye toward customer convenience. The lounge is shown above being enjoyed by some of the scores of Big Ace employees. The sign above the mirror asks "This is the way you look to the customer. Are you satisfied?" This combination of customer convenience and anxiousness for the clerks and management to please make Big Ace Market pleasant for shoppers.

The busy, harried, homemaker spends many hours each month planning and purchasing for her family.

To most shoppers, marketing is a grim chore—lacking in personality and pleasantness—a drudgery that must be countenanced, tho condemned — but not so says Big Ace management when the shopping time is used at Big Ace.

Market life can be more beautiful and Big Ace proves it. Our market is arranged so that each visit is like romping thru a park. Wide aisles, multiple choices of items and brand names, low, low prices—and in the end—at the pay-off point S&H Green Stamps to lend pleasantness to the inevitable moment where shopper and grocery money must part.

We have pictured here some of the little things that contribute to your shopping comfort and pleasure—and we'll add as many more things as you tell us you want.

Sincerely, Big Ace Management.

Georgia Wylie, 2955 Vancouver Ave. in San Diego, is a regular shopper at Big Ace Market. Her husband, Roy, is an estate caretaker and they have two children, Carol, 19, and Bill, 11.

Mrs. Wylie gets right to the meat of the matter when she states at the beginning, "I like S&H Green Stamps. Of course I like the values Big Ace Market offers too but it is a mighty comforting feeling to know that no matter how much I spend, and I have to spend a lot to feed two full grown children, it is comforting to know that I will get S&H Green Stamps with every purchase."
